Remote
Learning

Newsletter #3 – Term 1

BACK TO SCHOOL

It has been so lovely to see everyone return to school today. Thank you so much to staff, students and families for your smooth transition back to onsite learning after our snap change to remote learning last Friday.

Swimming

Swimming will resume for students in Years 3 to 6, next Tuesday and an extra week is likely to be added to the end of our program. I will confirm this closer to the date.

Welcome Family Picnic

Thanks to everyone who was able to attend our Family Picnic night last Thursday. Although we were caught with a few rain showers, we had delicious sausages, cooked by Marion and Ms Thomson. This Year 5/6 students led some great activities and everyone had fun.

Class Dojo as main communication and Bushfire safety

Even though we have had a coolish Summer, we are still in a bushfire season. Recently our school was upgraded to a Category 4 school during bushfire season. This means if a Code Red day is called, our school will be required to close and the Bus run will be cancelled. This makes all our communication vital. Please contact your teacher if you are having any difficulty connecting to Class Dojo and we will ensure we support you.

School Council

School Council meetings are an opportunity to share opinions and gather various perspectives as we make decisions that support ongoing student growth and development of our school. **We are now calling for nominations for this year's school council.** If you are interested in being a school council member, please come to the school office to **collect a nomination form, complete it and return it to the office by the 22nd February.** The new School Council will begin at the March meeting after the Annual General Meeting. There are three (3) parent positions that are open for nominations.
