We pride ourselves on having excellent facilities throughout the school. We have an Art room, Library, an Open Learning Area and modern classrooms. We also offer Music, Chinese, Science and PE.

The students have access to up-to-date technologies, with a 1:1 program operating in the senior school. Further laptops, desktops and iPads are available across the school, as well as interactive whiteboards in each classroom.

We run Intervention programs such as Reading Recovery and Quicksmart Numeracy, to cater for the individual learning needs of all students, as well as having a Well-being Officer to assist with students' social needs.

Our buddy program ensures that all new students have a friend for their important first year at school.

Students make use of our numerous and expansive playgrounds, including the ovals, basketball courts, sports shed, gardens and courtyards
